Welcome to The Landing at Park Valley Church!

The Landing is a Park Valley Church Care Team ministry designed to help students in grades 6–12 find a path to freedom, healing and wholeness as they journey with other students to pursue a relationship with God. This exciting teen support ministry meets each Monday night from 6:00 pm – 8:00 pm.

The Landing creates an environment where students can learn to make wise choices and develop healthy patterns for living. It's a safe haven to help overcome life-controlling hurts, hang-ups and habits by providing insights on following God's path to greater freedom in life.

The ministry uses interactive and age appropriate versions of the Celebrate Recovery lessons being explored in the corresponding adult meeting on Thursday nights, giving families the opportunity to discuss what they're learning as they grow closer to God together.

Our staff and volunteer team are excited about this program! We're confident that students who stay with **The Landing** and actively participate will find a path toward healing. They'll also develop important skill-sets that will benefit them throughout their lives. With these skills, they'll be able to deal effectively with future hurts, habits and hang-ups as they rely on a relationship with Jesus.

If you have any questions about The Landing for your child or Celebrate Recovery, we would love the opportunity to speak with you.

With a Grateful Heart,

Mark Brady

GENERAL POLICIES AND HELPFUL INFORMATION:

Privacy: What's shared in the group stays in the group. Parents will not be notified of what a student shares unless a student reports he or she has been or will be harmed.

Leaders: All leaders have background checks and are interviewed prior to being allowed to work in The Landing. All leaders have taken child safety training and have completed Park Valley Church Growth Track.

Leaders are instructed not to have contact with the students outside of the Landing. Please feel free to contact the **Park Valley Church Care Ministry at 571-261-2136** should your teenager need to speak to a leader or if they need additional support outside of The Landing's normal meeting times.

Adult Visitors: Because we place a high value on the safety of students, adults who are not part of The Landing leadership team are not allowed into The Landing. To keep this a safe place for students to share, this policy includes parents who are not approved volunteers.

Attendance: While we encourage students to attend each week, we realize students may have other events that require them to miss from time to time. Every week a student doesn't attend, he or she will miss out on an important element of dealing with life's hurts, habits and hang-ups. Please encourage your son or daughter to be as consistent as possible in attending The Landing.

Please be aware that we do not patrol the Park Valley Church campus to ensure students are not skipping The Landing meetings. Additionally, we can't physically force students to stay in The Landing. Our leaders and staff on campus will contact our pastors and volunteer leaders when a student is seen loitering around the campus, but *we can't force the students to attend. Students must be responsible.* As a parent if you question your student's likelihood to attend, it might be a good idea to accompany them to The Landing doorway to ensure they go inside.

FAQ's FOR THE LANDING:

Is there a fee for students to attend The Landing?

No. There is no charge to attend The Landing. A Student Journal may be purchased for \$5 and used to record thoughts throughout the lessons. Students who choose to use a journal should bring them each Thursday night.

Is there a way for parents to help with The Landing outside the weekly meeting?

Since we are purposeful in creating an interactive learning environment, we often need supplies for activities. Please contact our Care Team Ministry to see how you can donate to The Landing 571-261-2136.

Will there be special events for students to attend outside The Landing?

The Landing is part of the larger Park Valley Church family. We encourage students participating in The Landing to also get involved with our ***Middle School - Underground*** and ***High School - Vertical*** ministries by attending those weekend services and special events. Leaders from The Landing who are available for these events may also serve as volunteers.

Some leaders from The Landing may (but are not required to), plan special events with their small groups throughout the year.

Does The Landing offer counseling?

The Landing is not a counseling program. It's a teen support and discipleship group. We do realize, however, that students and families may need additional support outside The Landing, and we encourage you to contact the Care Team Pastor Mark Brady at marb@parkvalleychurch.com or 571-261-2136 so we can help you make a plan that's right for your family.

CELEBRATE RECOVERY AND THE LANDING:

The Landing is part of the Celebrate Recovery collection of programs designed with the entire family in mind. In an attempt to assist his own family, Pastor John Baker started developing the ministry in 1991 at Saddleback Church. As a result, this program has now touched millions of lives around the world. The Landing is built on the same principles as Celebrate Recovery. As we stated above, it uses age-appropriate versions of the lessons used in the CR meetings. The yearly calendars even mirror one another so entire families can discuss what they're learning if the parents choose to attend Celebrate Recovery.

On average, more than 65% of those attending Celebrate Recovery programs are seeking freedom from something other than chemical addiction. The Landing for students (grades 7-12) and Celebrate Recovery for adults work together to help individuals overcome any kind of hurt, habit or hang-up as we journey together in pursuing a relationship with God. From anger to food issues, chemical addiction to peer pressure and codependency, CR and The Landing create a safe place to learn how to live in a fallen world, heal broken relationships and live healthy lives.

Success Stats since Celebrate Recovery began at Saddleback in 1991:

1. Over 17,000 people at Saddleback Church have completed the program and have found victory from their hurts, hang-ups and habits through Christ's power.
2. Celebrate Recovery is now in more than 29,000 churches around the world and millions of people have found healing. Park Valley Church started Celebrate Recovery in 2005 with a healthy attendance each week.

We're happy to bring the strength of Celebrate Recovery into the lives of students through The Landing at Park Valley Church. It's our hope as we provide this program for students that their lives will be forever changed and redirected towards Jesus Christ.

Life Hurts. God Heals. Discover How.
