SPORTS MISSION

HOST MISSIONARY: Vernon and Mary Smith

Trip Size limited to 20

Ages: Families welcome with mature believers able to share the hope they have in Christ with others.

The team will arrive at Kilimanjaro International Airport outside Arusha. In Arusha and in Dodoma the team will use soccer to help share the Gospel. Park Valley Church will sponsor a soccer tournament in each city, and during the tournament will have the opportunity to share the Gospel with the participating teams. In Dodoma, the team will also meet with several local Pastors who have a vision of creating a Christian sports camp.

We will have in country missionaries supporting the team with communication, since English is not the national language. But there will be many English speakers in the community. Each tournament will end with a cookout for the winning team and Park Valley Church will be invited to attend. As time allows, there will be opportunities to get into the community and possibly support a Christian medical clinic.

The lodging will be safe and very clean. Each person will have their own bed. The trip will end with two days at a natural wildlife reserve and safari, and will include stays and meals at a higher end resort. There are no required Covid test to enter the country, but there is a rapid Covid test required to re-enter the United States.
